

CSCE 221 Cover Page
Programming Assignment #5
Due April 5 by midnight to CSNet

First Name: Josh Last Name: Zschiesche UIN 523000614

User Name Jzschiesche1 E-mail address jzschiesche1@tamu.edu

Please list all sources in the table below including web pages which you used to solve or implement the current homework. If you fail to cite sources you can get a lower number of points or even zero. According to the University Regulations, Section 42, scholastic dishonesty are including: acquiring answers from any unauthorized source, working with another person when not specifically permitted, observing the work of other students during any exam, providing answers when not specifically authorized to do so, informing any person of the contents of an exam prior to the exam, and failing to credit sources used. Disciplinary actions range from grade penalties to expulsion read more: Aggie Honor System Office

Type of sources	Web Pages Textbook	People	Peer Ta helpdesk
People	Scott Peterson Ryan Yantz	Joseph Gunter	Todd Christian
Web pages (provide URL)	stackoverflow.com pumpkinprogrammer.com	cppreference.com	cplusplus.com
Printed material	lecture slides	course textbook	
Other Sources	Peer TA Helpdesk		

I certify that I have listed all the sources that I used to develop the solutions/codes to the submitted work.

“On my honor as an Aggie, I have neither given nor received any unauthorized help on this academic work.”
